Carl,

Current plan is for EPA and Exxon to collect data, Arkansas Department of Health will interpret the data and ADEQ will post the data on their website.

Chris Ruhl  
USEPA Region 6  
Oil Team Leader  
Federal On-Scene Coordinator

if Arkansas is going to post data do we have our risk assessors (Rauscher?) Ready to interpret it? Do we get ATSDR involved to so we have a consistent message?
